JOIN THE CLUB! The VC Wine Club is a unique wine club experience that offers its members the finest wines produced with the highest quality grape juice imported from around the world and custom labeled for each member. Every 2 months our members receive 2 bottles of wine hand selected by the winemaker, complete with winemaker's notes and suggested food pairings for each wine. The wines can be shipped directly to your door step, or picked up at the winery. As a new member you are given the option to create a vintage label for your wines that year. The result is 2 private labeled bottles every 2 months for your enjoyment.

**2 Bottles every
2 Months for \$35**
That's only \$17.50 per month!

The VC Wine Club is great for:

- The wine connoisseur looking to build their private collection.
- A fun and unique gift for friends & family.
- Any wine lover who enjoys unique wines at a great discount.
- Powerful advertising and customer appreciation gifts.

As well as receiving great wines, private labeled, every other month, wine club members also receive several other benefits.

- Exclusive access to Private Reserve wines
- 15% off all bottles and retail items
- Special batch & barrel pricing
- Invitations to Members-only special events

How it works:

- Sign-up for the club today and start receiving all of the great club member benefits immediately.
- We help you design and create the private label for your wines and keep it on file for the next wine selections.
- Every other month, our winemaker selects 2 wines that will be best enjoyed during that time of year.
- We add your private label to your bottles, package them with the winemaker's notes, wine pairing suggestions, and any coupons or specials for that month, and charge your credit card the same flat rate as always.
We will then notify you that your wines are ready for pick-up or ship them out.
- You enjoy your wines that day, add them to your collection, or give them as gifts.
